INDEPENDENT AUDITOR'S REPORT ON THE MANAGEMENT'S INTERIM REPORT

To the General Assembly of Gözde Girişim Sermayesi Yatırım Ortaklığı A.Ş.

Opinion

We have been appointed as the independent auditors to perform a review of whether the financial information included in the management's interim report of Gözde Girişim Sermayesi Yatırım Ortaklığı A.Ş. (the "Company") as of 30 June 2026 is consistent with the reviewed condensed interim financial statements.

The management's interim report is the responsibility of the Company's management. Our responsibilityis to conclude whether the financial information in the report is consistent with the reviewed interim condensed financial statements as at 4 August 2026 and the explanatory notes.

We conducted our review in accordance with the Independent Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". Our limited review covers the examination of whether the financial information included in the management's interim report is consistent with the reviewed interim condensedfinancial statements and the explanatory notes.

The scope of a review of interim financial information is substantially less in scope than an audit conducted in accordance with Independent Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the financial information included in the accompanying interim annual report is not consistent, in all material respects, with the reviewed condensed interim financial statements and the accompanying explanatory notes.

Other Matter

The independent audit of the Company's management's annual report for the year ended 31 December 2025 and the independent review of the Company's management's interim report for the six-month period ended 30 June 2025 have been performed by another audit firm which expressed an unqualified opinion and an unqualified conclusion in the annual report dated 27 February 2026 and an unmodified review conclusion in the review report dated 31 July 2025.
